SUMMARY

IT Technical Recruiter with 1.5 years of experience in end-to-end recruitment, specializing in sourcing, screening, interview coordination, rate negotiation, and hiring for Full-Time, Contract, and C2H roles. Proficient in using LinkedIn Recruiter, Naukri, Monster, and TechGig to identify and engage qualified candidates. Strong ability to understand client requirements, manage candidate pipelines, and build lasting relationships with stakeholders. Possesses excellent communication, organizational, and problem-solving skills, along with foundational knowledge of Java, SQL, HTML, CSS, JavaScript, and Microsoft Office.

EXPERIENCE

IT Technical Recruiter

Sep 2021 – Jan 2023

Persistence

- Managed end-to-end IT recruitment for Persistent Systems India, hiring for Full-Time, Contract, and C2H/C2C positions.
- Handled the complete recruitment lifecycle, including requirement analysis, candidate sourcing, resume screening, interviewing, rate negotiation, and offer closure.
- Sourced candidates using Naukri, LinkedIn Recruiter, Monster, and vendor networks.
- Collaborated with Account Managers and BDs to understand client requirements and deliver suitable candidates within timelines.
- Screened and shortlisted candidate profiles based on technical skills, experience, and client requirements.
- Conducted candidate screening calls to assess technical skills, availability, compensation expectations, and interest in contract opportunities.
- Coordinated with employers and consultants for rate negotiations, rate confirmations, and profile submissions.
- Worked closely with subcontracting agencies and vendors to support contract staffing requirements.
- Maintained recruitment databases, tracked submissions, interview schedules, and candidate pipelines.
- Built and maintained strong relationships with candidates, vendors, employers, and internal stakeholders.
- Possessed knowledge of hiring models and tax terms, including C2C, C2H, W2, Full-Time, Form 16, and payslip verification.
